Potter League for Animals
Happy Tails Day Camp

Dear Camper,

We are looking forward to seeing you at camp this summer. At our camp, you will learn a lot about animals and have fun doing it! We have lots of activities planned including meeting our *Reading Fur Fun* dogs and some of our shelter animals. It is important for you to understand and agree to the following:

- Adopting a New Pet—You might meet an animal at the Potter League that you would like to adopt.

I understand that my family may have all the pets we can care for right now. And I know that the Potter League will find good homes for these animals. When my family is ready for a new pet, I know there will be other animals just as cute!

(Camper's Signature)

- Safety First—First day of camp, you will learn our rules on safely interacting with animals.

I agree to follow the instructions given about meeting and touching the animals.

(Camper's Signature)

I read and discussed this agreement with my child.
