

# My new home

By TOBY, the little cranky one

Everyday I have to practice my tricks with my new dad.

I'm still cute!

I like to take naps against the walls. My new mom keeps asking me, WHY?!?!?

Waiting for my new dad to get home.

My new family took me on my first vacation trip.

I own the bed, all the pillows are mine.

**Thanks for finding me a new home!!!**
