

Potter League birthday parties include age appropriate educational activities, animal-themed games & crafts and a visit by a special animal guest.

All activities are coordinated by a Potter League staff person.

Food, beverages, cake and decorations are provided by the family.

We provide all the fun!

The Potter League for Animals offers the following Humane Education Programs:

- Classroom presentations for pre-school through 7th grade
- Tours of the shelter for school groups and youth organizations
- Reading Fur Fun, a reading program targeting reluctant readers offered to elementary schools, group homes, after school programs, and libraries
- Be Kind to Animals Week Poster Contest held in May for children in grades K-8
- Camp Happy Tails for grades 2-6 during school summer vacation and school vacation weeks
- Girl Scout programs leading to a participation badge
- Pre-school story hours
- Kids Club for teens ages 12-14
