## Our Mission

As the heart of a humane community and in partnership with that community, the Potter League for Animals is dedicated to making a difference in the lives of animals. We promote the humane treatment of all animals and provide shelter and care for lost or unwanted companion animals. Through education, commitment to a standard of excellence in the care of animals, and fostering relationships between people and animals, we enhance the animals' lives and enrich the human experience.

The Potter League is truly grateful to all the individuals, families, businesses, organizations, corporations and foundations for their generous support. Every contribution has a lasting impact on the animals and helps to foster better relationships between people and their animal companions. Your contributions allow us to continue to carry out our life-saving mission of making a difference in the lives of animals and the people who love them. A list of our donors is available for viewing on our website.
