SPAY & NEUTER CLINIC

SUBSIDIZED SPAY & NEUTER SERVICES

Why spay & neuter?

- Will prevent accidental litters
- Helps dogs and cats live longer, healthier lives
- Can lessen undesirable behaviors such as spraying, roaming, aggression, and mounting
- Rhode Island law requires all cats over six (6) months old to be spayed or neutered

Subsidized pricing on spay/neuter services for cats & dogs

- High quality/low cost services
- All fees for dogs include rabies & distemper/parvo vaccinations
- All fees for cats include rabies & distemper vaccinations

Special prices & packages for feral cats & pit bull type dogs

Free transportation for your pet is available
