I, the undersigned, have enrolled my child in Camp offered by PLA. I understand that participation in PLA Camp involves activities that include interactions with animals. Camper Contract

Dear Camper,

We are looking forward to seeing you at camp this summer. At our camp, you will learn a lot about animals and have fun doing it! We have lots of activities planned including meeting some of our shelter animals. It is important for you to understand and agree to the following:

**Animal Interactions:**

We know that you are coming to Camp Happy Tails because you love animals. You will have an opportunity to meet and touch selected animals every day at camp. However, these interactions will be for a limited time as this is only one of many camp activities.

*I understand that if I want to spend a lot of time with shelter animals, I should consider becoming a junior volunteer.*

**Adopting a New Pet:**

You are going to meet many cute, friendly animals in the shelter during camp and might meet some that you would like to adopt.

*I understand that my family may have all the pets we can care for right now, and I know that the Potter League will find good homes for these animals. When my family is ready for a new pet, I know there will be other animals just as cute!*

**Safety First:**

On the first day of camp, you will learn our rules on safely interacting with animals.

*I agree to follow the instructions given about meeting and touching the animals.*
